About HUMAScoin

HUMAScoin (HUMSX) is the digital token powering the internal economy of the HUMAS System, where human energy is measured and rewarded.

The token is linked to the HUNIT digital profile and is used for:

- Evaluating personal contribution to the ecosystem (energy, participation, interaction);
- Internal transactions;
- Distribution of rewards;
- Participation in governance and DAO development (in the future).

Purpose of the Pre-Sale

- Funds raised will support:
- The launch and promotion of the HUMAS System MVP, including HUNIT digital identity, user interface, basic tokenomics, and onboarding of early users;
- Legal and technical infrastructure for HUMAS System;
- Integration of the token into real-world sectors: healthcare, education, culture;
- Preparation for platform scaling.

Benefits for Participants

- Early access to HUMAS System features;
- Use of HUMAScoin within HUNIT — your digital energy profile;
- Priority access to ecosystem projects;
- Participation in the future DAO and strategic decisions.

Participation Terms

- Participation is based on an individual agreement;

- All transactions are recorded in the official project registry;
- HUMAScoin (HUMSX) is credited immediately after payment to the provided Phantom wallet address (Solana network);
- At this stage, tokens are not traded on the open market and are used as a utility tool within the ecosystem;
- After the platform launch and exchange listing, the price of HUMSX will be higher than during the pre-sale. Sale or exchange will be available after this stage.

Why You Should Join the HUMAScoin Pre-Sale Now

HUMAScoin is the currency of the HUMAS System ecosystem. It reflects your energy and contribution to a system where people are once again valued.

Every contribution — physical, intellectual, emotional — takes digital form in HUMAS System and is never lost. With HUMAScoin, we are building an internal economy based not on speculation, but on real human participation.

By joining the pre-sale, you:

- Receive HUMAScoin at a fair early price
- Become part of the core HUMAS System community
- Get priority access to future features and projects

This is participation in a system where human energy becomes the foundation of a new economy.
